The death of the most influential man in Italy

Silvio Berlusconi died of leukemia at the age of 86 on 06/12/2023. He had a long career! He was the former leader of the Italian government and served as prime minister between 1994 and 2011. During 31 years, he was the president of the football club named AC Milan. He has helped Giorgia Meloni, a figure of the Italian far right and the current leader of the Italian government. But, this man was accused of several things: tax evasion, corruption, witness intimidation, and sexual relations with persons under 18.

Accusations against Rammstein

Till Lindemann, the singer and frontman of the German metal band Rammstein, is accused of sexual assault by several women. They describe an organized system with the aim of luring some women from the front row after the band's concerts and isolating them with the singer. They say they have been drugged. Meanwhile new informations and a judgment, there will be no front row at their next concerts.

Writers... won?

Finally, the consequences of the writers' strike, which occurred in Hollywood a few weeks ago, started to become visible. This week, Disney announced the postponement of several film releases, including its major projects as "Kang Dynasty" and "Avatar 3". Now, fans who were awaiting the new Marvel story on 1 May 2025, will have to wait an additional year. Similarly, the new adventures of Pandora, originally planned for Christmas 2024, will also be delayed until 19 December 2025.

Hot news in the mediterranean sea

Recent reports show worrying temperatures in the Mediterranean sea reaching 3°C above average and 25°C in some areas in the Languedoc and Corsican coasts. This can cause massive damage for sea species by reducing oxygen levels in water. Invasive species are also migrating towards French coasts that can further endanger them.

"Rare" incident on metro line 4

A whole line completely blocked. And an "exceptional" incident, according to the RATP, which announces an internal investigation to determine the exact causes. Hundreds of passengers were stranded on Wednesday night for nearly two hours in trains on line 4 of the Paris metro, due to «multiple incidents» on the route. Incidents that occur while the line is affected by numerous automation works.
